Jobbeschreibung

Join our dynamic global HR technology team as a Senior Workday Configurator. At our company, we leverage Workday for HR since January 2024 to its fullest potential, making us one of the largest clients in the industry. We utilize nearly every module within Workdays HR suite, including Core, Recruiting, Talent Management, Payroll, Leave management, and more. Join us to maximize the business value of the application for streamlining our HR processes, enhancing employee experiences, and driving organizational efficiency.

Key Responsibilities:

- Customize tables, fields, and forms to meet organizational needs.
- Define and implement robust business rules, UI policies, and client scripts.
- Configure workflows and approval processes using user-friendly editor tools.
- Design and configure engaging service portals, widgets, and catalog items.
- Collaborate on establishing and managing user roles, groups, and permissions.
- Tailor software solutions or add-ons without the need for custom coding.

What We Offer:

- Apply your advanced technical knowledge and expertise in Workday.
- Opportunities for further skill development and advanced software certifications.
- Work in a supportive and dynamic team of experienced professionals.
- Flexibility of remote work, balancing professional and personal life.
- Be part of a diverse, global team that values different perspectives and cultures.
